**The Bachelor** faces his exes tonight on The **Women Tell All** special on **ABC**. The Women Tell All Special has always been an anticipated show, and tonight is no exception. **Ben Flajnik** will have to face all the women he rejected, plus Courtney Robertson will be making a special appearance. Keep reading for more details and to watch a clip from tonight's Bachelor special.

Fans of The Bachelor have been waiting for Courtney Robertson to speak publicly about her experience on the show – and tonight is the night. Courtney Robertson has been torn apart in the media and has been called the worst villain in The Bachelor history. The girls, and a majority of the public, believe that Courtney just wanted to win The Bachelor and did everything she could to claim her prize. Courtney trash-talked the other women, went topless and even lured Ben to go skinny-dipping. Courtney's schemes seemed to work, since Ben has been memorized by the model from the very beginning. It has been rumored for weeks that Courtney does receive the final rose from Ben in Switzerland.

For the first time in The Bachelor history, one of the final two women will appear on the Women Tell All Special. Chris Harrison brings up the topic of Courtney Robertson and the girls have no problem ripping apart the model. It seems the wounds that Courtney has caused these girls are still fresh. Chris Harrison then announces that Courtney Robertson will be coming out next to sit in the hot seat. Take a look at the girls bashing Courtney and the surprise on their faces when they learn Courtney will be making an appearance.

I stopped watching this show about mid-point, and switched over to The Voice (and felt much cleaner and happier), BUT...I WILL watch this train wreck tonight so that I can see that stupid ho Courtney get what's coming to her. Not that she cares. Ben is an idiot: worse, a boring idiot who wanted to date a "model" and

idiot, worse, a boring idiot who wanted to date a model and got wrapped up in all that crap. ABC sank to new lows on this one. WORST. BACHELOR. EVER.

I can't wait to see that witch COURTNEY get the ROYAL WORKS about that tramp; she don't know what REAL LOVE is even if it slapped her in the face. That just what all the other woman should do to her: she is going to end up hurting Ben more than you know; she's just a TWO\_FACED TRAMP and don't deserve a good man like BEN. YES I HAVE ALWAYS LOVED THIS SHOW AND LOOK FORWARD TO TONIGHTS SHOW. Girls go get this WITCH, and to you CHRIS I wish you all of luck in the world with this one; I'm rootin for you CHRIS.....TERRY

3. **Fidi Says:**

Can't wait to see the drama tonight. BTW, the correct word should be exes, NOT ex's.

4. **Debbie Says:**  
**March 5th, 2012 at 10:04 am**

I wonder how many times Courtney will play w/her hair & bite her lip! If she gets the rose, I'm never watching again!

5. **Phillip Moya Says:**  
**March 5th, 2012 at 11:05 am**

I think Courtney doesn't need Ben she can have her own show. She does things her own way (Instigated skinny dipping and marriage vows)As far as looks well she make any dress come to life She needs to model something and last she has a unpredictable quality you never know what she will say or do.She can be supper nice or supper mean. I think reality TV has made a new star.

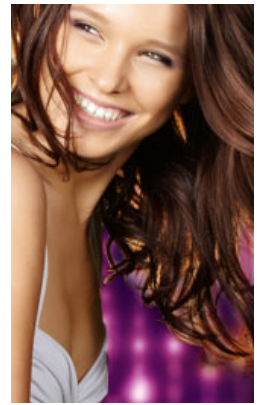

6. **Tmama Says:**  
**March 5th, 2012 at 7:38 pm**

Courtney looks like a rabbit in heat. with her teeth and the way she constantly bites her lip. Her lies to get to Ben were ridiculous and he falls for them hook, line and sinker.. if she gets the final rose it shows that he couldn't see what REAL women were really trying to tell him. VERY, VERY sad...She (Courtney) is out for herself to make herself her own million or two and probably will after this. UNreal, what a FAKE!!
