## Bachelor 2012 Season 16 Finale SPOILER: Photographic Proof that Ben Proposes To...

Would The Bachelor production team be so cruel as to film two proposal scenes, just to throw us of the scent of who wins the hand of the fair (OK dark haired) Ben Flajnik when the show airs tonight?

Would they do that to a poor girl who has already been rejected?

No, you don't think so? Well, in that case it seems pretty certain that Ben Flajnik proposes to Courtney Robertson atop The Matterhorn in Switzerland. Either that or he's fallen over and she's helping him up.

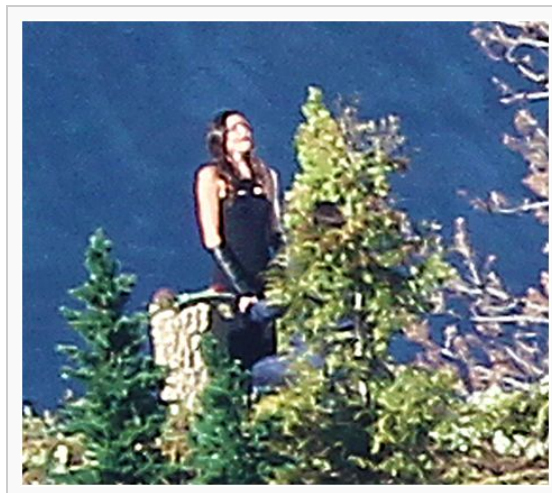

Anywhere, here he is, on one knee in front of Courtney Robertson, holding her hand.

Doesn't that look like a proposal to you?

I know, I know you can't see all of the guy in front, because of the bush. But look closely and you can see his hair. Do you know anyone but Ben Flajnik with hair in a mushroom-shaped shag? There!" I've said it; I've held off criticizing Ben's hair and gone after his apparent taste in women all season, as that's the point of The Bachelor. But it had to come out sometime. Get a hairstyle, Ben!

Oh and congratulations on your engagement. If the rumors are true, it didn't last long.
